

Little Flower Catholic School

Recycle Inkjet · Reduce Pollution · Raise Funds

What to do:

1. Most of us have inkjet printers at home or work. Next time when you have an empty cartridge, don't throw it away.
2. Just put it in a Ziploc bag or the original cartridge box and bring it to [LITTLE FLOWER SCHOOL](#)
3. We have a special recycle box in the School foyer.

Benefits to Little Flower:

- Little Flower will be paid up to **\$4.00** for each cartridge with a print head.
- Prompt cash payment for our school when a filled box is sent.
- Free boxes... free shipping.... no cost!

Benefits to our community:

- Reduce pollution. Cartridges do not decompose for 1,000 years.
- Save energy. Empty ones can be remanufactured and reused.
- No buying, no selling, no burden to anyone.

Which cartridges:

- Cartridges with a print head are qualified for payment. That includes most of **Hewlett Packard, Lexmark, Compaq, Canon, Dell, Brother, and Apple.**
- Cartridges without a print head do not qualify for payment. That includes all **Epson.**
- If you cannot tell the difference, bring it in anyways.

Everybody helps. We can make a difference.

- You can also get empties from friends, neighbors, and small businesses.
- On average, a person uses 2 cartridges a year.
- The potential is huge.
